

Policy 4: Technology & Data Security Policy

Document ID: POL-04-2026

Effective Date: January 1, 2026

Version: 3.2

Category: 4. Technology & Data Security

Approved By: Executive Committee / HR

Scope: All Full-Time & Part-Time Employees

1. Acceptable IT & Asset Usage Policy

Company technology assets (laptops, smartphones, software licenses, network infrastructure) are provided primarily for business activities. Personal use of hardware and internet must be strictly minimal and compliant with safety guidelines.

- **Prohibited Web Access:** Downloading illegal software, accessing adult content, or visiting torrent/unverified file-sharing websites on company devices is strictly banned.
- **Password Security:** Passwords must be at least 14 characters, combining uppercase, lowercase, numbers, and symbols. Multi-Factor Authentication (MFA) is mandatory across all accounts.

2. Data Protection & Privacy Compliance (GDPR/CCPA)

Employees who process personally identifiable information (PII) of customers, partners, or personnel must adhere strictly to data privacy frameworks.

Mandatory Data Handling Rules:

- **Data Minimization:** Collect and retain only the customer data that is strictly required for active operations.
- **Encryption Standards:** All sensitive customer or business documents stored locally or in transit must be encrypted using corporate AES-256 tools.
- **Data Breach Protocol:** Any suspected data leak or loss of an encrypted device must be reported to the IT Security Officer within 1 hour.

3. Social Media & External Communications

While employees are free to use personal social media accounts, they must refrain from disclosing confidential corporate strategies, intellectual property, or financial forecasts online.

Employees must add a disclaimer: *"Views expressed are strictly my own and do not represent my employer"* when engaging in industry discourse in a personal capacity.

EMPLOYEE POLICY ACKNOWLEDGEMENT

I acknowledge that I have received, read, and fully understand the **Technology & Data Security Policy**. I agree to abide by all the guidelines, responsibilities, and standards outlined herein as a condition of my continued employment.
